Weekend Project
ERROR Pages

This week we learned HTML and basic CSS.
This weekend we will build HTML and CSS basics pages.

Instractions:

- Copy the main content from [Dropbox](#) , [Pixar](#) pages.
  Please use:
    - Inspect tool to inspect the page elements.
    - The CSS that we learned (margins and floats).

  Bonus:
    - Use semantic HTML.

  Ninja:
    - Add positions to your CSS.
